

Login 0

The image shows a window titled "Login.fxml" with a light gray background. In the center, the word "Login" is displayed in a large, black, sans-serif font. Below it, the label "Username:" is followed by a text input field with a blue border and a vertical cursor. Underneath the input field is a gray button with the text "Login". To the right of the button, two blue arrows point to two separate white boxes with black borders. The top box contains the text "1 if Admin" and the bottom box contains the text "2 if non-admin".

Add User 6

The screenshot shows a window titled 'AddUser.fxml'. Inside, the text 'Add User Name:' is followed by a text input field. Below the input field are two buttons: 'Add User' and 'Cancel'. Two blue arrows originate from the bottom-right corner of the 'Add User' button and the bottom-left corner of the 'Cancel' button, both pointing towards a small box containing the number '1'.

Both options go back to 1

Add Album 8

The screenshot shows a window titled 'AddAlbum.fxml'. Inside the window, the text 'Add Album Name:' is displayed above a text input field. Below the input field are two buttons: 'Add Album' and 'Cancel'. Two blue arrows originate from the bottom-right corner of the 'Add Album' button and the bottom-left corner of the 'Cancel' button, both pointing towards a small box containing the number '2' located below the window.

Both options go back to 2

Rename Album 9

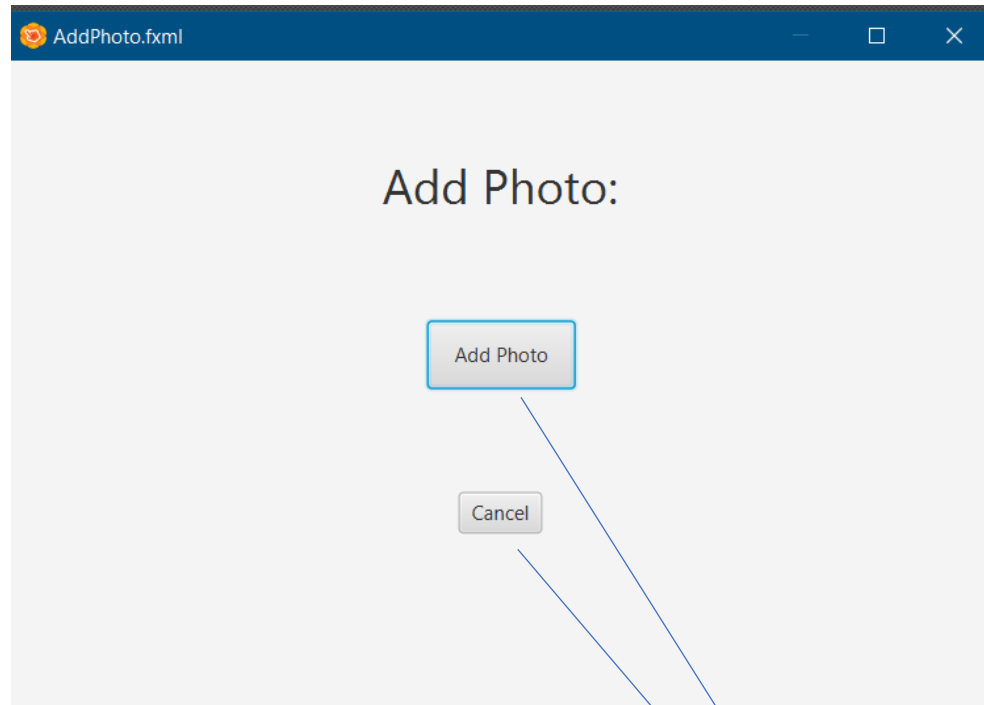

Rename Album:

Rename Album Cancel

Both options go back to 2

The image shows a software window titled 'RenameAlbum.fxml'. Inside, there is a label 'Rename Album:' followed by a text input field. Below the input field are two buttons: 'Rename Album' and 'Cancel'. Two blue arrows originate from the bottom-right corner of the 'Rename Album' button and the bottom-left corner of the 'Cancel' button, both pointing towards a small box containing the number '2' located below the window.

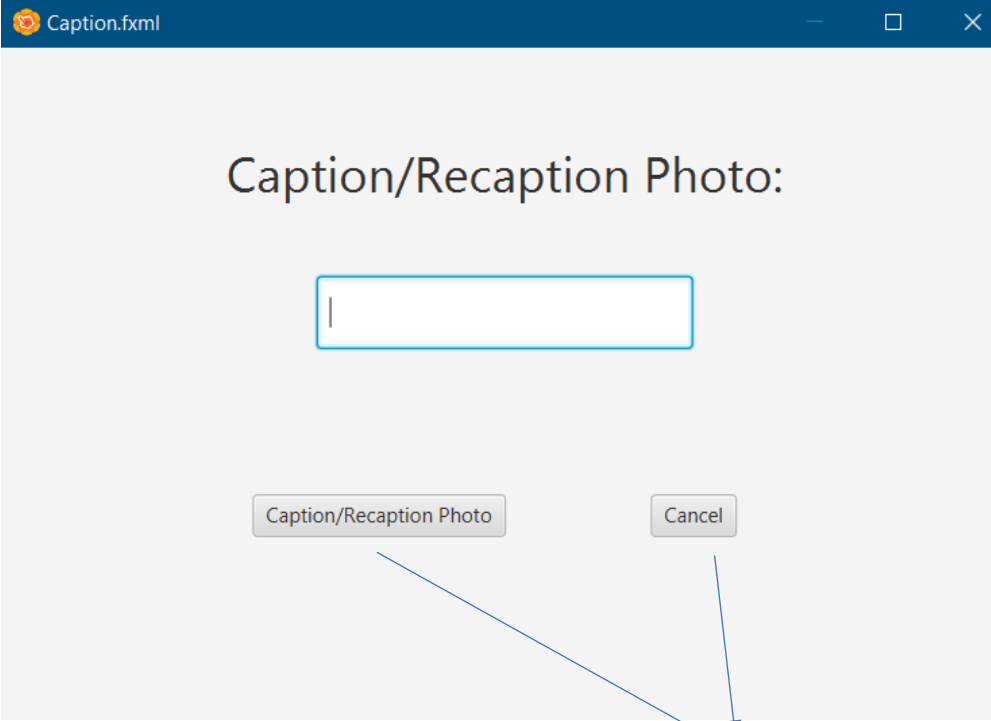

Add Photo 11

When Add Photo is clicked, we open file explorer to choose photo

Both options then go back to 3

Caption/Recaption 12

The image shows a software window titled "Caption.fxml" with a dark blue header bar containing standard window controls. The main area is light gray and contains the text "Caption/Recaption Photo:" in a large, dark font. Below this text is a white rectangular text input field with a blue border and a vertical cursor. At the bottom of the window are two gray buttons with rounded corners: "Caption/Recaption Photo" on the left and "Cancel" on the right. Two blue arrows originate from the bottom-right corner of the "Caption/Recaption Photo" button and the bottom-left corner of the "Cancel" button, pointing towards a small box containing the number "3".

Both options go back to 3

Move Photo

13

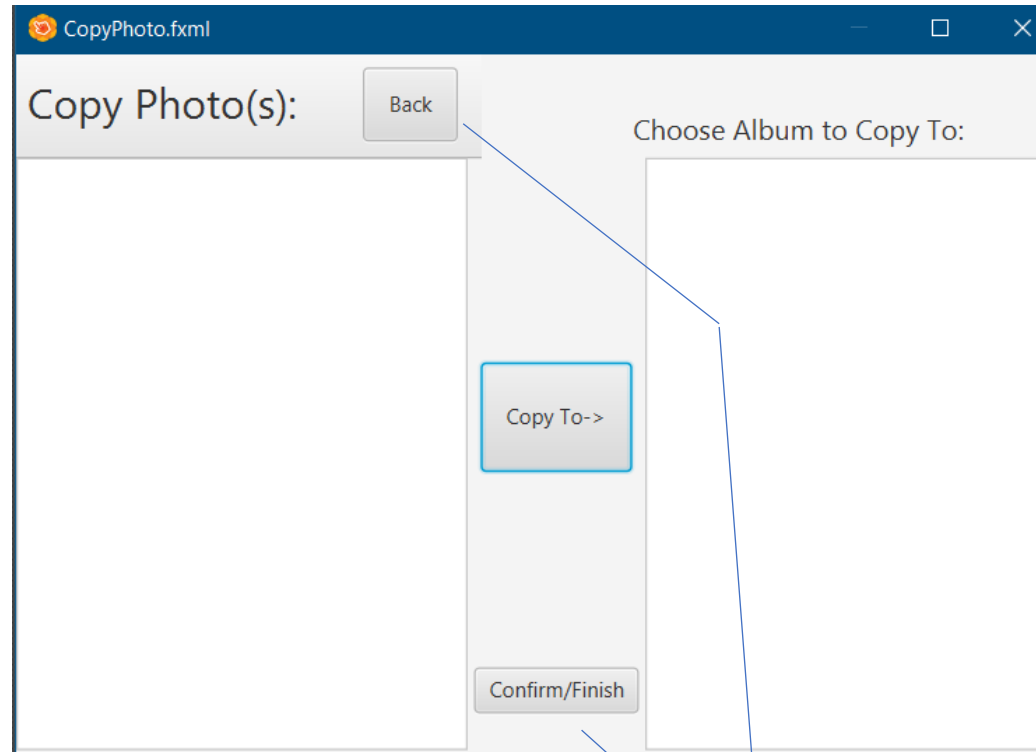

The screenshot shows a dialog box titled "Move.fxml" with a dark blue header. The main area is divided into two sections: "Move Photo(s):" on the left and "Choose Album to Move To:" on the right. A "Back" button is located in the top right of the left section. A "Move To->" button is centered in the middle of the dialog. A "Confirm/Finish" button is at the bottom center. Two blue arrows originate from the "Back" button: one points to the "Move To->" button and the other points to a box containing the number "3". Another blue arrow originates from the "Confirm/Finish" button and also points to the same box containing the number "3".

Both options go back to 3

Add Tag 17

The image shows a screenshot of a software window titled "AddTags.fxml". Inside the window, the text "Add Tag:" is centered above a rectangular text input field. Below the input field, there are two buttons: "Add Tag" on the left and "Cancel" on the right. Two blue arrows originate from the bottom-right corner of the "Add Tag" button and the bottom-left corner of the "Cancel" button, both pointing towards a small box containing the number "4" located below the window's border. The text "Both options go back to" is positioned to the left of the box with the number "4".

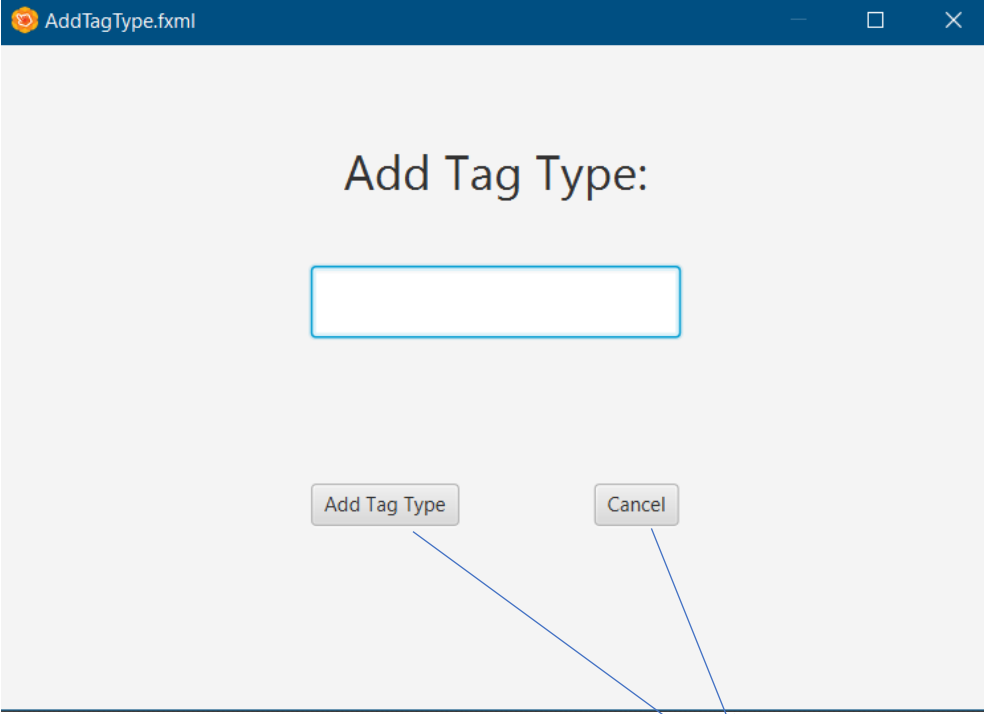

Add Tag:

Add Tag Cancel

Both options go back to 4

Add Tag Type

19

The screenshot shows a window titled "AddTagType.fxml" with a light gray background. At the top, the text "Add Tag Type:" is centered. Below it is a white rectangular input field with a blue border. At the bottom, there are two buttons: "Add Tag Type" on the left and "Cancel" on the right. Two blue arrows originate from these buttons and point towards a box containing the number "4".

Both options go back to 4

Pop-Up Windows/Dialogues

7, 10, 15, 18

In general, the buttons result in pop-up windows with actions like: “confirm”, “cancel”, “back”, “save”, “delete”, etc. Some, like new album, will result in a text field to enter a new album name. Some will also contain drop down windows to choose a photo/album/etc. Their cancel state will return them to their previous scene (appropriate scene 1-5)

These are delete buttons/functions:
